

## *about Stacy Garcia Inc.*

### *the studio*

Stacy Garcia Inc. is a New York-based material and product design studio with distinctive collections of wallcoverings, textiles, flooring and carpeting. Inspired by the collaborative spirit fostered in a workshop environment, Stacy Garcia design studio reinterprets classic motifs to create bold designs punctuated by vibrant colors and intricate patterns. Directed by its namesake, CEO and President, Stacy Garcia Inc. is a leader in the hospitality, residential and contract design industry with a reputation for establishing trend directions, consulting and collaborating with companies to forecast new approaches to color and design.

### *the designer*

Stacy Garcia, founder and principal of Stacy Garcia Inc, is recognized for her creative insight and ability to anticipate design trends. She is a chairholder of Color Marketing Group, the premiere international color forecasting association.

Garcia is known for her inventive use of color and her remarkable eye for pattern and design, and was one of the first to design for applications in multiple product categories like wallcoverings and carpet.

In 2009, she was voted one of the 10 leading voices in the hospitality design world by New Look Magazine.
